

Swingers Mail Bag

Dumb Fuck Emails

This month I'm sharing some recently-taken party pics of our sexy swinger/model/party girl Nikki, a.k.a "Fluffer". he earned that nickname because she likes to suck cock--a lot. For those who may not know, a fluffer is a girl on porn shoot sets whose job is to keep the cocks hard and ready off-camera by...well, sucking the shit out of them. My job is to keep you informed of what is going on in and around Atlanta's swingers party scene. Perhaps that makes me an informational fluffer.

In any event, the ladies featured monthly here in Swingers Corner are real local party girls. And the information featured herein is also real. Hopefully this combination will help create one thing: more satisfied cocks and pussies in Metro Atlanta!

While all you pervy readers are enjoying the naked images our aforementioned Nikki, this month I have also decided to share a few choice excerpts from recently-received emails. Many of you have sent well-written, thoughtful, intelligent and mature questions

and comments. I'm not going to print those. Nope, this month I am sharing the most lame-ass, moronic, shit-head, fucked-up emails. Congratulations to those of you who have made this list of dumb-fuck emails. Most likely, based on the shit you wrote, however, you can't read. That's OK. Just look at the pics and drool on your shit-stained tidy-whities!

Now let's check the mailbox:

Reader: "My wife don't wanna fuck me no mo. She say her pussy is sores."

Bomber: "Hmmm. If her pussy is full of sores, maybe you don't want to stick your dick in there anyway."

Reader: "I'm an 18 year-old dude who wants to swing. Can you help me?"

Bomber: "Most likely you lack the maturity and experience to enjoy the swinging lifestyle. The only swinging your dick will be doing is swinging between your thumb and index finger as you whack-off watching MTV. Swing on, swinger."

Reader: "My wife has lost all interest in sex. How can I convince her to swing with me?"

Bomber: "It makes perfect since that since she hates sex, she will naturally gravitate toward jumping into a pile on naked strangers at the next neighborhood orgy. Most conservative, repressed, non-orgasmic and bitter women are easily-convinced to become swingers if you just say, "Pretty please, with sugar on top," after you ask her to help you tag-team the babysitter. And oh, if you are

rich, offering her a million dollars might help too."

Reader: "I want to swing with my husband, but he can't get if up in front of other people, no matter how many times I tell him to get hard."

Bomber: "It really does help with his erections if you constantly remind him that he is an impotent, under-employed, pea-brained, overweight, bald-headed loser. With that kind of consistent and loving support, I'm sure your worries will be over soon."

Reader: "I came to one of your lame-ass parties. All the bitches were naked and dancing with each other, but none of them wanted to fuck me."

SWINGERS CORNER

CONTINUED FROM PAGE 38

Bomber: "Perhaps these beautiful, educated, sensual and bi-sexual ladies did not understand that you are really their pimp. It might help if you show up next time in your fur coat and purple hat. Upon recognition that their true calling is to be your personal street whores, their pussies will be at your disposal 24/7."

Reader: "I am a swiner (sic). I am packing 9 inches of pleasure-giving fat meat."

Bomber: "Don't be so hard on yourself. Just because your cock is fat, doesn't make you a swiner."

Reader: "I came to the meet and greet.

There were ladies dancing together on the dance floor and couples grouped together in the corners, but I couldn't tell who was with the (swingers) group."

Bomber: "Spotting swingers can be very tricky. The girls with no panties and bras, feeling each others' tits on the dance floor are likely just very poor immigrants who can't afford underwear. The couples exchanging partners in the corners are just looking for their car keys, which may have fallen in another couple's pants or skirt. The real swingers are the unhappy-looking single people sitting at the bar covered from head-to-toe in ankle-length khaki skirts and wool coats."

Reader: "Do you know where I can find 2 or 3 hot, 20-30 year-old bisexual ladies who love to fuck?"

Bomber: "If I find these women I would be a bigger fucking moron than you if I told you where they were."

Reader: "Is there any cost for the swingers parties?"

Bomber: "Absolutely not. I am happy to rent a 5000 square-foot ballroom, provide hors d'oeuvres, VIP suites, mixers, a DJ, sex

toys, security, marketing expenses, condoms, mixers, contests with cash prizes and a fun, safe place for you to fuck and play all night for FREE! The only bad news is, I am bankrupt since my first party, so now we all have to meet at Hardees."

Reader: "How come chicks get in free and I have to pay (male reader)?"

Bomber: "Because you have--and are--a dick."

Reader: "Where da party at?"

Bomber: "For you, in the next life perhaps."

Reader: "What do people at the parties look like?"

Bomber: "Great question, since they do not look like people at all. Swingers at many parties assume the image of inanimate objects or extraterrestrial beings. You would never know by looking at their shape-shifting forms, that there were actually people in there."

Reader: "I am a swinger because I like to fuck."

Bomber: "You are rare indeed. Most swingers prefer chess or knitting. You will go far in this lifestyle."

Reader: "When I masturbate, am I 'self-swinging'?"

Bomber: "Yes. But only if you watch yourself in the mirror while dancing and lip-syncing 'It's getting hot in here, so take off all your clothes,' as you jerk off."

That empties my moronic mailbox for now. Thanks for your content, and thanks to the lovely "Fluffer," who we will see at the next hotel party. As always, stay tuned to Swingers Corner for the fucking 4-1-1 in the Metro Atlanta area.

Happy swinging, Atlanta!

Brent Bomber is founder and owner of Atlanta's largest and most active swinger's party group, Swinging Atlanta. For more information on local swingers parties, or for questions about swinging in general, visit www.SwingingAtlanta.com or email Brent at SwingingAtlanta@gmail.com
